Welcome to Whitmuir The Organic Place - food with attitude not additives

Thank you very much for your interest in becoming a farm supporter. We started the farm supporter's club in 2006 as a way of involving people in the life of the farm as well as ensuring that they have access to high quality organic food at a reasonable price.

At Whitmuir we grow our own beef, lamb, mutton and pork, organic eggs and, weather permitting, up to 32 different varieties of vegetables and soft fruit. All our meat is butchered in the farm butchery, along with additional supplies from a growing network of local organic meat producers. We can cut meat to order, so just let us know what you would like.

In addition to our own seasonal vegetables and soft fruit, we buy in extra fruit and vegetables when we need them. We try to be as sensible as we can, sourcing firstly from Scotland, then the rest of the UK and then from Europe. Some produce (e.g. avocados and bananas) travels further, but we always declare the place of origin so you can make an informed decision when buying. Everything is, of course, organic.

At present the shop and licensed restaurant are open Sunday to Thursday 10.00 to 6.00 pm and Friday and Saturday 10.00 to 8.00 pm. We stock over 2,000 lines of organic produce in the shop, including ethical toiletries, household goods and organic cotton clothing, and we can generally source anything you might need - just ask.

We email you each week to keep you up to date with events and new products. Every month you pay your standing order to the farm and you purchase as little or as much as you like as often as you like. Every two months we balance the books.

For free home deliveries, you can order by telephone or email by 12 noon the day before. We deliver to West Lothian on Tuesdays; Edinburgh on Thursdays and Carlops, Broughton, Biggar, Moffat, Peebles and Innerleithen on Fridays.

If you would like to join the farm, please complete the joining form and the bank mandate for the standing order. Send the joining form back to us and post the bank mandate direct to your bank. Please let us know how much you are intending to pay, when the standing order will start and the name the payment will be made under so we can track it on our bank statement.

If you aren't sure about becoming a farm supporter, that's no problem at all. We will be delighted to see you as a regular customer anyway! Looking forward to getting to know you better.

Best wishes
